### **REASONS FOR ALLOWANCE**

1. The following is an examiner's statement of reasons for allowance:

The prior art of record does not teach or fairly suggest the inventions as recited in the claims, including rearranging by the processor and placing in said memory system, for retrieval in a repetitive manner for executing said matrix operation, the blocks of contiguous data, wherein data within said blocks retain an original matrix data content but said blocks are moved to be in an ordering different from an original ordering of said blocks within said matrix, such that said matrix data is represented in a format that permits said matrix data to be moved from said memory system into a position in said plurality of data registers of the co-processing unit for performing said matrix operation more quickly than if said matrix data had been moved as stored in said standard format.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

2. The drawings filed on 12/20/2003 are accepted.
